AGING PROGRAM

AGING PROGRAM SERVICES

The Aging Program is funded through a Federal grant that is administered through the Atlanta Regional Commission (ARC). Congress passed the Older Americans Act (OAA) in 1965 in response to concern by policymakers about a lack of community social services for older persons. The law also established the Administration on Aging (AoA) to administer the newly created grant programs to address the special needs of older Americans.

Information & Assistance Specialists assess the individual's long and short-term needs, identifying resources to meet those needs, providing a referral to identified resources, and, when appropriate, following up to ensure that the individual's needs have been met.

Case Managers determines who qualifies for our free services. They average about 80 clients each.

Transportation Services include demand/response services, dialysis appointments, and transportation of clients to our Congregate Program.

MEALS ON WHEELS

In partnership with Program Open Hands who brings chilled meals for both MOW clients and frozen lunches for Clayton Senior Adult Program participants at the Frank Bailey Senior Center.
